PROFILE

Data Scientist with expertise in Machine Learning, Deep Learning, Data Visualization and Business Analytics. Passionate about building AI-driven solutions.

SKILLS

Python
R
SQL
Pandas
NumPy
Matplotlib
Seaborn
TensorFlow
PyTorch
Scikit-learn
Power BI
Tableau
Excel
Statistics
Machine Learning
Deep Learning
NLP
Git
Docker

EDUCATION

Master of Technology (M.Tech) in Data Science

Indian Institute of Science Bangalore

2021 - 2023

CGPA: 9.12

EXPERIENCE

Data Scientist

Infosys

July 2023 - Present

- Developed predictive models for customer analytics.
- Built Power BI dashboards.
- Automated ETL pipelines using Python.

PROJECTS

Sales Forecasting System

Developed a forecasting model using XGBoost and Python to predict monthly sales.

Technologies:

Python, Pandas, Scikit-learn, Power BI

CERTIFICATIONS

Google Data Analytics Professional Certificate

IBM Data Science Professional Certificate
